In "Data Sharing Goals for Nonprofit Funders of Clinical Trials" (*J Particip Med* 2021;13(1):e23011) the authors noted two errors.

In the originally published manuscript, Lynn Matrisian was the last author listed in the order of authorship. This has been corrected to place Lynn Matrisian fifteenth in the order of

authorship, after Mary Jane Marchisotto and before Elizabeth Myers. Author affiliations have been renumbered accordingly.

As well, the affiliation for Mary Jane Marchisotto has been corrected from:

MJM Advisory, LLC, McLean, VA, United States

to:

MJM Advisory, LLC, New York, NY, United States

The complete list of authors and affiliations in the originally published paper was as follows:
